"Training for your most important job"

## Ready to Launch: Parenting Teens Through the College Transition

### *An online class for preparing parents of high school teens —*

- ♥ Anticipating changes in the whole family after launching
- ♥ Understanding how to adapt your parenting style to their needs for autonomy
- ♥ Guiding your young adults without telling them what to do
- ♥ Considering a gap year or other post-graduation option
- ♥ Handling your own feelings about letting them go

Register for all eight lessons for \$75:

- Includes 3 months access for all adults in your house
- Take class completely online
- Register today at [PricelessParenting.com](http://PricelessParenting.com)

Find answers to questions like:

*"How can I help my teen stay on top of college tests and applications without taking over?"*

*"What are some ways to handle my teen's need for more independence and freedom?"*

*"What should I do if my college student calls me complaining and wanting to drop out?"*

Try out Lesson 1  
for free!
